Annex 1 to IQNET Certificate Number  
**BR-28657**

**M.I. MONTREAL INFORMÁTICA S.A.**

AVENIDA PROFESSOR MAGALHÃES PENIDO, 77 -  
BR-31270-383 BELO HORIZONTE

Scope

Montreal Informática's Information security management system (ISMS) encompasses all activities related to the organization's information management. This includes the storage, processing, and transmission of data through the company's and its clients' computing resources, workforce allocation, and the storage of sensitive data. The processes covered by the ISMS encompass the integrated management system, human resources, sales, print center (including the printing of security and confidential documents and the sending of documents digitally), IT hosting and support, Service Center (N1, N2, and N3) with user support, software factory, development, maintenance, and testing of systems in traditional and agile models, biometric systems, customer relations, purchasing, and legal. This scope is defined in accordance with the declaration of applicability version 5.

.....  
This annex is only valid in connection with the original certificate number mentioned above.
